

## Inauguration of Tata Hitachi Engine Workshop in Udaipur

Tata Hitachi has opened a new Engine Workshop in Udaipur, which was inaugurated on the 2<sup>nd</sup> of July 2015 in the presence of esteemed customers of the region with THCM and Dealership officials.

This workshop has been opened with the following objectives:

- To cater to the Isuzu and Mitsubishi engine repair and overhauling requirement of customers of the North West Region
- To build confidence of the ZAXIS machine users in the Engine Repair and After Sales Support facilitation
- To increase the sale of Recon engines
- To encourage customers to chose THCM for their engine repair and overhauling requirements
- To offer back-up for FMC sites in North West for their engine side overhaul/repairs
- To reduce the turn around time for repair and overhauling of engines

We sincerely hope that this set up will add more value to our service delivery to our customers in the region. Congratulations to the team of THCM service head quarters & Udaipur branch for making the event a grand success.
