Terms & Conditions

The Extended Warranty Program is an add-on to the Standard Warranty provided on the purchase of any new Tata Hitachi equipment.

Under this program, Tata Hitachi or its Authorized Dealers shall repair or replace the parts covered if they are found defective, provided:

- The equipment is under normal use as per the operator manual.
- The maintenance of the equipment is carried out by Tata Hitachi's authorised service engineer as per Tata Hitachi's schedule.
- Tata Hitachi Genuine Spare Parts (spare parts and consumables) purchased at the authorized dealership have been used during any prior maintenance or repair of the equipment.
- Covering only manufacturing defects. Accidental, wear & tear failures are not a part of this program.
