

SILVERLININGS

JULY – SEPTEMBER 2024 | VOLUME 30

Tata Hitachi Construction Machinery Company Private Limited

Message from the

MANAGING DIRECTOR

I am pleased to share some of the significant developments and achievements from the past quarter.

We recently celebrated important milestones with the Line Off Ceremonies for the NX 80, NX50, and ZAXIS 38U at our Dharwad plant. These events underscore our dedication to manufacturing world-class machinery and addressing the evolving needs of the market. The NX 80 and ZAXISU are set to play pivotal roles in enhancing our product portfolio.

Our global expansion efforts have also seen notable progress. Team visits to KTEG in Germany and HTM in Canada have unlocked exciting export opportunities and facilitated critical discussions around the EH1100, reinforcing our growing international presence.

Aligned with our vision of developing both machines and talent, we have also released a new film on Skill Development, an initiative that emphasizes our dedication to upskilling the workforce and securing the future of the construction industry.

On the domestic front, we are excited to announce the expansion of our dealership network with the addition of new partners in Guwahati and Aizawl. This will bolster our presence in the North-East region and enable us to serve our customers more effectively.

I am also proud and happy to share that Tata Hitachi's commitment to Safety, Health, and Environment (SHE) was recently recognized at the prestigious SHE Excellence Award by CII. Congratulations to our EHS team for their outstanding efforts, receiving this accolade at ITC Sonar on 22nd August 2024.

Looking ahead, we have several highly anticipated product launches in the pipeline, all designed to set new benchmarks in technology and performance.

None of these accomplishments would have been possible without the tireless efforts of each one of you. As we enter this promising festive season, I want to express my heartfelt gratitude for your dedication and hard work. Together, we will continue to advance Tata Hitachi and seize the opportunities that lie ahead.

Sandeep Singh
Managing Director

Dear Colleagues,

As we approach the festive season, I would like to take a moment to reflect on the positive momentum we are witnessing in our industry. Market conditions are steadily improving, and I am confident that the upcoming festive period will further propel the construction equipment (CE) sector, ushering in renewed optimism and exciting opportunities.

Despite the challenges posed by the heavy rains in various parts of the country during the last quarter, the CE industry and Tata Hitachi have demonstrated resilience and continued growth. This progress is a testament to the unwavering commitment and dedication of our team, as well as the trust and confidence our customers have placed in our brand and products.

ACCOLADES WON

Tata Hitachi Kharagpur Plant Wins SHE Excellence Award

Our commitment to Safety, Health, and Environment (SHE) was recognized at the prestigious SHE Excellence Award by CII. Congratulations to our EHS team for their outstanding efforts, receiving this accolade at ITC Sonar on 22nd August 2024.

Congratulations to our team members for keeping the Tata Hitachi flag flying high.

HIGHLIGHTS OF THIS QUARTER

ZAXIS 38U Line-Off Ceremony - The line-off ceremony for the ZAXIS 38U was successfully held on 28th August 2024. Team was pleased to announce the dispatch of two units of the newly launched ZAXIS 38U model—one unit to PSN Kochi and another to PSN Bangalore—marking an important milestone in our product offerings. The ZAXIS 38U operates efficiently in tight spaces, making it versatile for various applications, including urban construction, landscaping, and utility work.

NX 80 Machine Launch at Dharwad Plant: The NX 80 line-off ceremony was successfully held at the Dharwad Plant on 26th July 2024. Two units of the newly launched NX 80 model were dispatched to dealerships - SDLM in Mangalore and Trishool in Bhubaneswar - marking a significant milestone in our product lineup. This is made-in-India machine - specially designed for Indian application conditions and manufactured to meet the “best of everything” customer expectations of better operating performance, low fuel consumption, easy maintenance, high reliability, comfort, and stunning aesthetics.

Design Champions Hackathon 2024: On September 12th and 13th, 2024, Kharagpur and Dharwad team conducted an exciting Design Champions Hackathon. Designers were challenged to develop innovative solutions to a problem statement that tested their design and analytical skills. A total of 61 designers formed 29 teams-14 from Dharwad and 15 from Kharagpur - participating in this dynamic event. Conceived by the L&D team, the hackathon was expertly coordinated with the support of Mr. S. Umamathy, EX-Design Head and Plant Head of Dharwad, along with the Design leadership at both plants.

First Vendor's Townhall Meeting FY 2024-25: On August 28, 2024, Tata Hitachi's Kharagpur Plant hosted its inaugural Vendor's Townhall Meeting, bringing together vendors from across India. The event focused on sheet metal and fabrication aggregates and launched a new green supply chain initiative to support our vendor partners in sustainable practices.

OTHER NEWS

Celebrating Excellence: Annual Service Competition 2024

The Annual Service Competition for Tata Hitachi's engineers in Construction was held on 7th and 8th August 2024 at Kharagpur, focusing on the ZAXIS 220LC ULTRA model Excavator. Six top contestants from our field service team vied for the coveted title of Best Service Engineer FY24-25. Congratulations to Mr. Sukhendu Das (Supervisor - UEB) for clinching the prestigious award!

The event featured rigorous selection processes including an online test and personal interviews, culminating in an esteemed ceremony graced by Chief Guests Anand San, Arup Mukherjee San, Amit Biswas San, and N P Singh San.

Mr. Sukhendu Das was honored with a Certificate, Trophy, and Watch as the winner prize, highlighting his outstanding contribution and dedication to service excellence.

Tata Hitachi KGP & DWD PDI Inspector Certification Program was successfully completed from July 14th to 25th. Veeraiah Hiremath, Shridhar Dasari, Vishwa Deepak Sharma, and Anil Kumar were certified under the expert guidance of Yakou San and Sakurada San from HCM. Congratulations to the newly certified PDI inspectors.

Initiating the L&D Conclave for a Transformative Future: The Learning and Development Conclave was launched to create a 3-year Learning & Development roadmap tailored to various functions. Under the guidance of senior executives, representatives analyzed capability requirements to meet customer expectations and overcome key challenges in their pursuit of operational excellence. The conclave was successfully held in Kharagpur (10-11 May), Dharwad (4 June), and Nagpur (20 June).

Dharwad Plant

INDIRECT CATEGORY : Reduction in Human Engagement time during Assembly Booking

Production Planning & Control,
Kharagpur Plant

Highlights from the 10th Small Group Activity Competition 2024:

Recently hosted small group activity competition at Tata Hitachi manufacturing facilities, featured multi-stage event in two categories: Direct (related to Production) and Indirect (office-related), with a separate track for non-plant SGA's. Congratulations to the Dharwad Plant team for winning in the direct category and the Kharagpur team for their victory in the indirect category. Here are the details:

DETs Batch of 24-25: A Warm Welcome at Dharwad and Kharagpur Manufacturing Facilities: We are excited to announce the onboarding of a total of 49 Development Engineer Trainees (DETs), including 27 women, across Dharwad (32) and Kharagpur (17) locations. The senior management team extended a warm welcome to these new talents, marking the beginning of an enriching journey as they embark on their training and development program.

The Marketing team successfully conducted the Dealer Marketing Manager's Training program at Dharwad from August 28-30, 2024. With 26 participants, the program had strong representation from South, East, Central, and West regions, fostering valuable knowledge-sharing and skills development among the attendees.

PLANT NEWS

DHARWAD

Independence day was celebration

Independence day was celebrated on 15th Aug, the event was filled with Pride, culture, and recognition as we came together to honour our nation's journey and achievements of our dedicated employees.

NCC Customer Visit to Dharwad Plant: On 19th July 2024, we had the pleasure of hosting NCC customers at our Dharwad Plant. This visit allowed us to showcase our manufacturing processes and product quality, reinforcing our commitment to excellence and fostering stronger relationships with our valued customers.

HCM Safety Team Visit: On 17th September 2024, Yamanobe San and Shigeta San visited the manufacturing facility. The visit included a Q&A session with the team, focusing on safety and health compliance, followed by an in-depth plant tour to review safety practices.

Team Dharwad proudly participated in the prestigious CII Awards, demonstrating our commitment to excellence in manufacturing and operational practices.
